Blickman Multi-Purpose Case Cart | CCC2

Stock Photo – Options May Vary

FACTORY NEW

Blickman CCC2 – Multi-Purpose Case Cart. Multi-Purpose Case Carts are ideal for most routine surgical procedures, with or without a container system. The body uses 18-gauge steel, and the doors also use 18-gauge steel. The top features 16-gauge steel for added durability.

The chassis uses 11-gauge steel for strength and stability. The bumper channel uses 14-gauge steel for reliable protection. Heavy Duty Door Hinge improves structural integrity and allows the door to swing back 270 degrees.

Features: The Blickman CCC2E-19, an upgrade of the CCC2E and CCC2E-17, is perfect for routine surgical procedures.
