Blickman Space-Saver Case Cart | CCC4-19

Stock Photo – Options May Vary

FACTORY NEW

The Blickman CCC4-19 – Space-Saver Case Cart is the new and improved version of model CCC2-17. These Space-Saver Case Carts are designed to give added capacity by utilizing the cube while minimizing the floor space required by larger carts.

Body – 18 gauge, Door(s) – 18 gauge, Top – 16 gauge, Chassis – 11 gauge, Bumper channel – 14 gauge. Removable pull-out-type stainless steel wire shelves are provided on closed carts.

Additional Features: Shelves slide on adjustable angle sliders, suspended from keyhole punched standards welded to the cart interior. Open carts offer either a solid stainless or wire shelf, adjustable on 4″ centers.
