FACTORY NEW

Blickman Solution Warming Cabinet: 7927TS – New. This small cabinet warms solutions in tight spaces. It saves workspace, and the single stainless steel door is strong.

In addition, one compartment keeps your solutions easy to sort. The door shuts on its own with a magnetic seal, and the adjustable tension gives staff a smooth feel each time they open it. Meanwhile, you can add an optional shelf to fit different container sizes.

The cabinet is 20-5/8 inches deep, so it fits on most countertops and tabletops. It has no heat vents, so you can place it almost anywhere.
