FACTORY NEW

Blickman Solution/Blanket Warming Cabinet: 7922TG – New. This compact 35.5-inch cabinet gives reliable warming in tight spaces. It fits under countertops, and you can also set it on an existing cabinet or a Blickman mobile stand.

In addition, it warms solutions or blankets with steady accuracy in clinics, surgery centers, and patient care areas. The 7922TG has a built-in temperature recorder with a real-time clock, and the keypad sits right above the door for quick access. Meanwhile, the color display (160 x 180 pixels) gives staff a clear view of the temperature.

An automatic cut-off adds safety, and the cabinet holds steady heat through daily use.
