Blickman Solution/Blanket Warming Cabinet | 7922TS

Stock Photo – Options May Vary

FACTORY NEW

Blickman 7922TS Solution/Blanket Warming Cabinet with Stainless Steel Door – New. This compact, 35.5-inch cabinet has a single stainless steel door and fits under countertops or in tight spaces. It warms solutions or blankets with steady accuracy.

In addition, it gives staff fast access in clinics, surgery centers, and patient care areas. The 7922TS has a built-in temperature recorder, and you can set it on an existing cabinet or on a Blickman mobile stand. The keypad sits above the door, so staff can change the temperature fast.

Meanwhile, the self-tune feature holds the set temperature within ±1°F for dependable daily use. A key lock or user-set passcode keeps settings safe.
