FACTORY NEW

Blickman 8871SS – Stainless Steel Jumbo Mayo Stand. Number one in ease and convenience. Just lift the tray frame – it automatically locks.

To lower, hold the tray frame and press the foot-operated control button. Release to lock in place. A guard over the foot button prevents accidental release.

This Blickman Mayo Stand comes with a Limited Lifetime Warranty. Blickman's State of the Art Double Post Design minimizes lateral movement and increases overall unit stability. Select our Model 8871SS, double-post jumbo Benjamin Mayo Stand when a larger tray size is required.
