Blickman Stainless Steel Mayo Stand | 1520SS

Stock Photo – Options May Vary

FACTORY NEW

Blickman 1520SS – Stainless Steel Mayo Stand. These Newark stainless steel Mayo Stands are a superior choice for value-conscious customers.

They utilize a Tru-Loc™ friction knob for manual locking at the desired height. The 1520SS uses lighter tray support and a stainless steel base (one size only).

Additional Features: Blickman's Stainless Steel May Stand model 1520SS travels easily on 2″, single-wheel casters with a 37 1/4″ – 64″ height adjustment and comes with a Limited Lifetime Warranty.
