Blickman Stainless Steel Mayo Stand | 8869SS

Stock Photo – Options May Vary

FACTORY NEW

Blickman 8869SS – Stainless Steel Mayo Stand. Blickman's Stainless Steel Benjamin Foot Operated Mayo Stands are number one in ease and convenience. Just lift the tray frame – it automatically locks. To lower, hold the tray frame and press the foot-operated control button.

Release to lock in place. A guard over the foot button prevents accidental release. Additional Features Include: Our state-of-the-art double post design minimizes lateral movement and increases overall unit stability.

Select our Model 8871SS, double-post jumbo Benjamin Mayo Stand when a larger tray size is required. Comes with a Limited Lifetime Warranty.
