Blickman Stanford Stainless Steel Mayo Stand | 8848SS

Stock Photo – Options May Vary

FACTORY NEW

Blickman 8848SS – Stanford Stainless Steel Mayo Stand. The 8848SS Mayo Stand is built with a heavy-duty stainless steel base and four casters for easy maneuverability, making it ideal for use in busy environments like ERs and exam rooms.

Its durable construction ensures long-lasting reliability, while the four caster wheels allow for smooth movement across various surfaces, even in tight spaces. The stand has a Tru-Loc™ friction knob for height adjustments from 39-1/2″ to 62″, offering flexibility for tasks.

The tray size is 12-5/8″ x 19-1/8″, providing ample space for instruments and supplies. This makes it a versatile and essential tool for healthcare professionals
