FACTORY NEW

Clinton Adventure – Series Down Under Treatment Table: 7942. Not every child who visits a pediatrician is under the age of 8. Knowing this, Clinton has developed a series of tables that would also appeal to older school-age children.

Our Adventure Series of Exam Room Tables takes young patients on photographic journeys that are both interesting and educational at the same time. Clinton Adventure – Series Down Under Treatment Table Features: The Down Under is Clinton's Original Theme, featuring easy-to-clean laminate surfaces. Graphics are permanently embedded in the high-pressure laminate to prevent peeling.

The tabletop includes 2" of firm foam padding, covered with premium, stain-resistant vinyl upholstery in Gunmetal.
