FACTORY NEW

Clinton Adventure Series – Americana Treatment Table: 7945.
Not every child who visits a pediatrician is under the age of 8.

Knowing this, Clinton has developed a series of tables that would appeal to older school-age children as well. Our Adventure Series of Exam Room Tables takes young patients on photographic journeys that are both interesting and educational at the same time.

Clinton Americana Treatment Table Features: The Americana is Clinton's original theme, offering a combination of style and functionality. The Exam Table features easy-to-clean laminate surfaces, while designers permanently embed all graphics in the high-pressure laminate on one long side to prevent peeling.
