## FACTORY NEW

Clinton Adventure Series Alaskan Wilderness Treatment Table: 7946. Not every child who visits a pediatrician is under the age of 8.

Knowing this, Clinton has developed a series of tables that would appeal to older school-age children. Our Adventure Series of Exam Room Tables takes young patients on photographic journeys that are both interesting and educational at the same time.

Clinton Alaskan Wilderness Treatment Table Features: The Alaskan Wilderness is one of Clinton's original themes. Exam Table is designed to be easy to clean with laminate surfaces. Additionally, all graphics are permanently embedded in the high-pressure laminate on one long side and will not peel off.
