FULLY REFURBISHED · CLINICALLY CERTIFIED

Ohio Care-E-Vac 3 Portable Aspirator Suction Unit is built for fast response in compact, demanding clinical environments. Housed in a durable polycarbonate and ABS blend case, it's both tough and lightweight. Its small size and low weight make it perfect for code carts, transport, and mobile suction needs.

Furthermore, provides constant suction at 550 mmHg and 50 LPM — reliable power in critical moments. Moreover, designed for fast turnaround, it's easy to clean and simple to process between uses. The Care-E-Vac 3 is the smallest footprint in its class; it saves space without compromising performance.

Additionally, a permanently attached power cord keeps the unit ready to use — never lost or misplaced.
