Gomco Optivac G180 Portable Aspirator Suction Unit – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED · CLINICALLY CERTIFIED

The Gomco Optivac G180 Portable Aspirator Suction Unit delivers high-performance suction in a compact, portable design. Ideal for general use, it operates on AC or DC power (110–230 V / 50–60 Hz) and is globally compatible. Additionally, its powerful motor provides over 30 lpm flow and a vacuum range of 25 to 550 mm Hg.

Furthermore, run the unit for up to three hours on a fully charged battery, even at maximum vacuum. Charge for two hours and get one hour of runtime; a full charge takes just eight hours. Use AC power at full performance, even if the battery is depleted.

Manufactured by Allied Healthcare, the Gomco Optivac G180 is engineered for reliability.

FEATURES

- Run time operation on fully-charged battery for approximately three hours at maximum vacuum.
- 25 to 550 mm Hg vacuum range, coupled with greater than 30 lpm flow, provides powerful suction for faster aspiration.
- Will run at full performance on AC power even with a depleted battery.
- Will run for approximately one hour after charged for just two hours.
- Long-life rechargeable battery eliminates the need for frequent replacement.

SPECIFICATIONS

- Vacuum Range: -25 to -550 mm Hg.
- Flow Rate: Greater than 30 lpm at open flow.
- Sound Level: Less than 60 dBA.
- Pump Type: Oil-less diaphragm.
- AC Operation: 110 to 230 volts, 50/60 Hz.
