DuraSonic 2.5 Gallon Ultrasonic Cleaner w/Heat & Mech Timer | DS1200HT

Stock Photo – Options May Vary

FACTORY NEW

DuraSonic DS1200HT 2.5 Gallon Ultrasonic Cleaner w/Heat & Mech Timer. The new benchmark in benchtop cleaning! Durasonic is the Sound Choice and is Now Available with Ceramically Enhanced Transducers and Lifetime. DuraSonic's Rugged Industrial-Strength Performance gives you consistent quality at a benchtop price.

The driving force is the power source: Industrial stack transducers excel in reliability and performance. Benchtop cleaners use wafer-thin discs. Durasonic brings full-wave 45 kHz Ceramically Enhanced Industrial Transducers to the Benchtop line. Each unit includes a 0-30 minute analog or 0-99 minute digital timer.

The thermostatically controlled heaters enhance efficiency. When comparing benchtop cleaners, focus on features—there is no comparison.
