DuraSonic 6.6 Gal Digital Ultrasonic Cleaner | DS25L

Stock Photo – Options May Vary

FACTORY NEW

DuraSonic DS25L 6.6 Gal Digital Ultrasonic Cleaner. The DuraSonic Digital Ultrasonic Cleaner has a 6.6-gallon (25-liter) tank, measuring 18.5″ x 11.5″ x 8″ (L x W x D). Additionally, it includes a basket and cover, plus a 2-year warranty.

Made in the USA. Furthermore, our in-house team of certified technicians can help with any repairs or services on your current ultrasonic cleaner or autoclave.

Also available are Ultrasonic Cleaner Solutions like EmPower® Dual-Enzymatic Detergent, Tuttnauer Clean & Simple Ultrasonic Enzymatic Cleaning Tablets, and SC-44 Cleaning Concentrate. TIP: Use EmPower® Foam™ Enzymatic Spray to prevent blood, tissue, mucus, and proteins from drying on instruments.
