FACTORY NEW

Edan SE-1200 ECG. Given the high demand within the United States, EdanUSA was formed in 2009 to offer local service and support for U.S. sales.

All of our products come with a three-year manufacturer's warranty. Our goal is to provide high-quality diagnostic equipment that enhances the quality of patient care, offering customer pricing 30%—40% lower than that of major U.S. competitors.

The Edan SE-1200 ECG offers excellent cost performance with a high-resolution thermal printer. It records 12 ECG traces on A4 or US Letter paper. The 5.7-inch screen ensures optimal viewing, while the alphanumeric keyboard and one-touch operation add ease.

FEATURES

- Excellent cost performance
- Built-in high-resolution thermal printer
- Records 12 ECG traces on A4 size and US Letter-size paper.
- 5.7-inch screen for optimal viewing
