FACTORY NEW

Edan SE-1200E Express ECG. Given the high demand within the United States, EdanUSA was formed in 2009 to offer local service and support for U.S. sales.

Additionally, all of our products come with a three-year manufacturer's warranty. Our goal is to offer high-quality diagnostic equipment that improves the quality of patient care, with customer pricing 30%—40% less than that of major U.S. competitors.

The Edan SE-1200E Express ECG offers excellent cost performance, featuring a built-in high-resolution thermal printer. It records 12 ECG traces on A4-size or US Letter-size paper. The device boasts an 8.4-inch color touch-screen, alphanumeric keyboard, and one-touch operation.
