FACTORY NEW

Edan SE-3A ECG (Narrow Screen). Given the high demand within the United States, EdanUSA was formed in 2009 to offer local service and support for U.S. sales.

All of our products come with a three-year manufacturer's warranty. Our goal is to provide high-quality diagnostic equipment that enhances the quality of patient care, offering customer pricing 30%—40% lower than that of major U.S. competitors.

Edan SE-3A ECG (Narrow Screen) Features: Smart ECG SE-3 series are high-quality, affordable, three-channel ECG units. The compact and light design makes it portable for any work situation. The foldable LCD screen features a waveform display and configurable parameters.
