

GE Dinamap Procare 400 Vital Signs Monitor – Refurbished

Stock Photo – Options May Vary

FULLY REFURBISHED • CLINICALLY CERTIFIED

GE Dinamap ProCare 400 Vital Signs Monitor – Refurbished. The GE Dinamap ProCare 400 Vital Signs Monitor helps staff work faster with easy-to-use features and a simple menu. Additionally, with a properly sized BP cuff in place, staff just press a button to take a BP reading.

Furthermore, this makes daily use quick and simple. Moreover, one monitor covers the full range of patients, including neonatal, pediatric, and adult. As a result, staff avoid needing separate monitors for different age groups.

Specifically, this monitor covers NIBP, Temp, Pulse Rate, and SpO2, with a built-in pole mount.

FEATURES
