

# Stryker Atlas 660 Stretcher – Refurbished

*Stock Photo - Options May Vary*

## **FULLY REFURBISHED · CLINICALLY CERTIFIED**

The Stryker Atlas 660 is a multi-purpose stretcher designed for bariatric care, supporting up to 660 lbs with an extra-wide 31" patient surface. The Big Wheel system significantly improves maneuverability and steering compared to traditional methods, making transport easier for staff. Built with a power-washable design and dual-end brake and steer controls, this stretcher provides strength, comfort, and reliability for facilities requiring robust patient transport solutions.

## **FEATURES**

- Big Wheel
- 660 lb weight capacity
- 31" wide patient surface with 4" Mattress
- Glide-away side rails
- Integrated oxygen bottle holder
- Four-wheel, steel-ring brake system with dual-end activators
- Trend/Reverse Trend
- Power-washable design
