FACTORY NEW

Harloff Plastic Waste Container Accessory: 684801. The Harloff Plastic Waste Container Accessory 684801, now listed under SKU WASTE3GALDM, offers a convenient and durable waste disposal solution for medical environments. Furthermore, designed exclusively for use with Harloff medical carts, this 3-gallon plastic container helps maintain cleanliness and efficiency in any clinical workspace.

Additionally, the Harloff 684801 includes a mounting bracket without a cover, allowing easy installation on compatible Harloff carts. For added flexibility, it is also available as a standalone 3-gallon container without the mounting bracket, ideal for facilities with customized setups.

Moreover, contact us for more information on the Harloff 684801 configurations and compatibility.

Brochure and images are a general overview of the product. Actual product options may vary.
