FACTORY NEW

Harloff 4 Drawer Mini Line Phlebotomy Cart Pkg w/Breakaway Lock: 3254BPB. Harloff's 4 Drawer Mini Line Phlebotomy Cart (3254BPB) provides dependable organization for blood draws, IV starts, and daily treatments. It features eye-level tilt bins, a roomy work surface, and a covered trash container.

Excellent mobility and flexible drawer configurations streamline workflows, while the compact frame fits easily into tight clinical spaces. Clinicians also use the Harloff 3254BPB cart for triage supplies, treatment tasks, and patient care. The painted steel cabinet and drawers deliver strong durability.

Pontoon bumpers protect walls, and 5-inch premium plate casters improve maneuverability.
