FACTORY NEW

Harloff 5 Drawer Mini Line Phlebotomy Cart Pkg w/Breakaway Lock: 3245BPB. The Harloff 5 Drawer Mini Line Phlebotomy Cart Package delivers strong mobile organization for blood draws, IV starts, and many treatment needs. It features stabilizing pontoon bumpers, smooth 5-inch casters, and a reliable breakaway lock system with 100 numbered seals.

You gain efficient storage, dependable mobility, and consistent access in demanding clinical environments. This cart also supports triage supplies, treatment tasks, and patient care.

The Harloff 3245BPB cart offers 24 vertical inches of drawer space and a removable plastic top that simplifies cleaning. Pre-threaded accessory holes support fast customization, while ball-bearing drawer slides create smooth, full-extension movement.
