FACTORY NEW

Harloff 6 Drawer Phlebotomy Cart Pkg w/Break-away Lock: 3256BPB. The Harloff Six-Drawer Mini Line Phlebotomy Cart Package 3256BPB provides a robust mobile solution for blood draws, IV starts, and targeted clinical tasks. It also supports triage supplies, treatment materials, and patient care tools. Furthermore, its compact design improves workflow in busy medical environments while maintaining excellent organization.

This phlebotomy cart includes a wrap-around stabilizing bumper and 5-inch premium plate casters. These features improve control and protect surrounding equipment. Additionally, Harloff adds stabilizing pontoon bumpers for extra security during transport.

The cabinet offers 30 inches of vertical drawer space, providing clinicians with generous storage capacity.
