**FACTORY NEW**

Harloff 6 Drawer Phlebotomy Cart Pkg, w/Turn Latch, Non-Locking: 3256LPB. The Harloff 6 Drawer Phlebotomy Cart Package 3256LPB delivers a dependable mobile solution for blood draws, IV starts, and focused clinical tasks. It also supports triage supplies, treatment tools, and patient care items. Furthermore, its organized layout improves workflow in fast-paced medical environments.

This Harloff 3256LPB cart includes stabilizing pontoon bumpers and 5-inch premium casters that increase control and protect equipment. The painted steel cabinet provides strong durability, and the powder coat finish offers sixteen color choices. Additionally, the cabinet supplies 30 vertical inches of drawer space.

A turn latch secures drawers during movement and prevents accidental opening.
