Harloff Classic 3 Drawer Isolation Cart w/Key Lock Standard Pkg | 6511

Stock Photo – Options May Vary

FACTORY NEW

Harloff 3 Drawer Isolation Cart w/Key Lock: 6511. The Harloff 6511 Classic Three-Drawer Isolation Cart Key Lock Specialty Package delivers strong organization for isolation supplies and infection-control workflows. It supports hospitals, clinics, and treatment centers that need fast access to essential items. Furthermore, its compact design improves mobility and enhances daily efficiency.

This isolation cart includes a coat and hat rack, utility hooks, and a painted steel top rail with a push handle. The tall cabinet uses a secure key-locking system that protects critical supplies. Additionally, stabilizing pontoon bumpers increases control and shields nearby equipment.

Five-inch premium casters allow smooth transport, and the tracking and braking casters increase handling precision.
