Harloff IntraOcular Lens Storage Cart | MS-IOL1260

Stock Photo – Options May Vary

FACTORY NEW

Harloff IntraOcular Lens Storage Cart: MS-IOL1260. This IntraOcular Lens storage cart provides attractive, secure storage of up to 1,260 IOL boxes and is compatible with multiple box sizes and brands, including Alcon, Bausch and Lomb, Rayner, and Abbot Medical Optics.

The six pull-out drawer shelves allow quick visual scans of the types and powers of each IOL box and are kept organized with six adjustable dividers per drawer. The glass doors allow quick overviews of inventory, while total extension drawer slides enable full inspections and easy restocking.

This mobile IntraOcular Lens storage cart glides on 5” quiet rolling Tente® casters and stacks flush with other cabinets for a reduced footprint.

FEATURES

• Lockable, secure storage of supplies: key lock with two keys
• Contemporary design with rounded corners
• Integrated side push handles
• Six pull-out drawer shelves with adjustable dividers – ideal for medical supplies used in surgery centers and operating rooms<
• /li>
