Harloff Malignant Hyperthermia Cart w/Medical Grade Refrigerator | MH5300K

Stock Photo – Options May Vary

FACTORY NEW

Harloff Malignant Hyperthermia Cart w/Medical Grade Refrigerator: MH5300K. Uses high-performance Follett® REF2 refrigerator or equivalent.

The drawers allow for the storage of posters and the MH Procedure Manual, which are available from MHAUS. Also, store supplies to actively cool a patient, such as hypothermia blankets, over and under the patient.

Additional MH5300K Features: High-performance refrigerator ensures temperature controls for cold isotonic saline for IV infusions and gastric, peritoneal, or rectal irrigation, as appropriate. The cart can hold critical MH emergency supplies at the proper temperature in close proximity to areas where they are most needed. Breakaway locks for drawers and refrigerators with 100 breakaway seals are included.
