Harloff Malignant Hyperthermia Cart with Medical Grade Refrigerator | MH5100K

Stock Photo – Options May Vary

FACTORY NEW

Harloff Malignant Hyperthermia Cart with Medical Grade Refrigerator: MH5100K. Uses high-performance Follett® REF2 refrigerator or equivalent. The top drawer allows storing posters and the MH Procedure Manual available from MHAUS.

Also, store supplies to actively cool a patient, such as hypothermia blankets, over and under the patient. Additional MH5100K Features: High-performance refrigerator ensures temperature controls for cold isotonic saline for IV infusions and or gastric, peritoneal, or rectal irrigation, as appropriate.

The cart can hold critical MH emergency supplies at the proper temperature in close proximity to areas where they are most needed. Key lock for drawer Cart ships with wheels installed—hospital-grade plug and cord.
