Harloff Treatment Cart | ETC-3

Stock Photo – Options May Vary

FACTORY NEW

Harloff Treatment Cart: ETC-3. Since 1987, Harloff has designed a wide variety of carts with innovative features that have become industry standards, such as ball-bearing drawer slides and easily customizable configurations. We now offer a comprehensive range of crash carts, medication carts, and specialty carts for hospitals and clinics.

These carts are also suitable for nursing homes and surgery centers. From day one, Harloff carts have been proudly made in the USA. With their variety of standard products and accessories, you should find the cart you want with the configuration you need.

FEATURES

- Low height makes these carts ideal for bedside or under a counter
- Key lock with two keys
- 3" stem casters, two with brake
- Roller drawer slides
- Removable plastic top
