Harloff Treatment Cart | WV6200-CM

Stock Photo – Options May Vary

FACTORY NEW

Harloff Treatment Cart: WV6200-CM. Hospitals, Long Term Care facilities, Surgery Centers, and Clinics can bring the warm appearance of wood to their treatment and other procedure carts with Harloff's WV line of vinyl-coated aluminum carts.

Designed and built to support culture change initiatives, this cart gives the buyer the best of both worlds, combining the aesthetics of wood with the long-term functionality of a Harloff metal cart.

The Harloff WV6200-CM is a vinyl-coated aluminum body and drawers designed to look like a piece of furniture.
