Intensa Chrome 18″ Round Tilt Top Hamper | 1530

Stock Photo – Options May Vary

FACTORY NEW

The Intensa 1530 Chrome 18″ Round Tilt Top Hamper, formerly sold under the Hassoc name, brings hands-free laundry handling to clinical settings. The step-on foot pedal opens the spring-loaded steel lid, so staff never touch the hamper. In addition, the wide opening and frame make loading and unloading easy.

The build quality of the Intensa 1530 holds up to heavy daily use. A durable chrome plated steel frame anchors the unit, while 3/4-inch bag support bars keep liners secure. Meanwhile, the Sigma style base adds stability.

Four 2-inch rubber wheels with ball bearing casters let staff roll the hamper anywhere. Finally, the 1530 stands 36 inches tall with a 19-inch outside diameter.
