Intensa Chrome Square Tilt Top Hamper | 1540

Stock Photo – Options May Vary

FACTORY NEW

The Intensa 1540 Chrome Square Tilt-Top Hamper, formerly sold under the Hassoc name, makes laundry handling hands-free. The step-on foot pedal opens the lid, so staff never touch the hamper. In addition, a steel lid prop holds the lid open to assist loading and unloading.

The 1540 is built for heavy daily use. A durable chrome plated steel frame supports a gray epoxy coated steel lid. Meanwhile, heavy-use linen bag supports and a built-in bag holder keep liners secure.

The holder fits 18-inch diameter bags from 36 to 42 gallons, both reusable and disposable. On top of that, 3-inch rubber ball bearing casters roll smoothly, and two of them lock in place.

FEATURES

- Heavy Use Chrome Plated Steel Frame
- Gray Epoxy Coated Heavy Use Steel Lid
- Steel Lid Prop to Assist in Loading and Unloading
- Heavy Use Linen Bag Supports
- 3" Rubber Wheel Ball Bearing Casters (2 locking casters)

SPECIFICATIONS

- Size: 19"w x 19 1/2"d x 37 3/4"h
