HeartSine Samaritan PAD AED – NEW

Stock Photo – Options May Vary

FACTORY NEW

With Everyday People in Mind, HeartSine Samaritan PAD AED is designed as an interface that guides even the most infrequent user throughout the rescue process. The Samaritan® PAD will guide the rescuer through each step using three simple icons and verbal instructions.

Furthermore, it only weighs 2.4 lbs for easy transport. Additionally, it includes a Carrying Case, Pad-Pak Cartridge with Battery, Data Port, Quick Instruction Card, User Manual, and Poster. Simple Operation: This user-friendly Heartsine Samaritan features a graphical interface that illuminates and guides users, with clear voice instructions for ease of use.

FEATURES

- Simple operation
- A graphical interface that "illuminates" to guide the user
- Clear voice instructions
- Always ready-for-use
- Auto self-test

Brochure and images are a general overview of the product. Actual product options may vary.
