

Replacement Stretcher Pads for Hill Rom 8050 OBGYN Stretcher

Stock Photo - Options May Vary

FACTORY NEW

Replacement pad set for Hill-Rom 8050 OBGYN stretchers, consisting of four individual pieces. Each pad measures 3 inches thick and is constructed from durable, high-quality materials designed to withstand the demanding environment of medical settings. The pads maintain consistent performance and support throughout extended use.

These replacement pads feature comfortable cushioning that helps improve patient care and minimizes discomfort during lengthy procedures. The easy-to-maintain design supports healthcare professionals in maintaining a clean, professional appearance for their equipment.

The pads ensure patients remain comfortable and secure during procedures while providing reliable support and durability for long-term use in clinical environments.
