

# InPro Cubicle Curtains: Shield by Panaz® Antimicrobial

Stock Photo - Options May Vary

## FACTORY NEW

Shield by Panaz® Antimicrobial cubicle curtains provide privacy and infection control for hospital patient rooms, clinics, nursing homes, and other facility environments. Utilizing silane-based technology, these fabrics have been tested and proven to be permanently antimicrobial, inhibiting the growth of mold and mildew. The curtains repel liquids and are highly resistant to most stains, making them suitable for cubicle curtains, shower curtains, and window treatments with minimal maintenance required.
