

InPro Security Shower Curtains

Stock Photo - Options May Vary

FACTORY NEW

InPro Security Shower Curtains. Privacy and cleanliness are of the utmost importance in shower areas. Clickeze® Shower Curtains are available for any need, including ADA compliance.

InPro also offers custom window treatments and bedspreads for a complete soft goods program. InPro Security Shower Curtains Features: Security Shower Curtains are ideal for behavioral health facilities, detention centers, massage schools, or lab testing areas. InPro's shower fabrics provide exceptional durability and sanitary protection, and we recommend using Shield by Panaz® fabrics for shower curtains.

These fabrics contain antimicrobial® properties that inhibit the growth of mold and mildew, reducing maintenance and making cleaning easier.
