

MCM 30" Patient Roller Replacement Cover | MCM 126

Stock Photo - Options May Vary

FACTORY NEW

The MCM 126 is a replacement cover designed for MCM's 30" Patient Roller Boards. It provides a durable and hygienic surface that protects the rollers beneath while extending the life of your patient transfer equipment. The cover installs easily and cleans quickly for convenient maintenance.

This replacement cover offers a secure fit and smooth surface to support safe patient transfers in busy medical environments. Its high-quality materials resist wear and tear, making it reliable for long-term use across hospitals, outpatient clinics, and surgical facilities.

The MCM 126 helps maintain equipment efficiency and hygiene while reducing downtime associated with worn or damaged covers. It is designed to keep patient roller boards in top condition for dependable use.
