

# MCM 2010 Hamper Stand

Stock Photo - Options May Vary

## FACTORY NEW

The MCM 2010 Hamper Stand features a sturdy chrome frame designed to fit standard 18" hamper bags while withstanding daily use in high-traffic healthcare environments. This durable linen hamper provides a dedicated collection point for sheets, gowns, and other soiled linens, helping to keep facilities organized and reduce the spread of germs.

Hygiene and safety are prioritized through the hands-free foot pedal operation, which allows staff to open the lid without direct contact. The smooth painted lid surfaces clean easily and maintain sanitary conditions, protecting both patients and staff during busy shifts.

Mobility is enhanced by 3-inch swivel casters that enable effortless movement across rooms and hallways. The compact, versatile design suits facilities needing multiple collection points while remaining budget-conscious and practical for long-term use.
