MCM 72 x 24 Instrument Table w/Shelf | MCM 509

Stock Photo – Options May Vary

FACTORY NEW

MCM 509 Instrument Table w/Shelf from Mid Central Medical, an American company, is a heavy-duty stainless steel table built for performance and reliability. It uses 16-gauge #304 stainless steel with solid welded construction.

In addition, it has a shelf that gives you extra space for instruments and supplies. Meanwhile, the table has a 1-1/2″ revealed edge, square tube legs, and smooth, polished corners.

It rolls on 3″ ball-bearing casters, so staff can move it around the room with ease. MCM builds the table with no open cavities, so dirt and other unwanted material cannot collect inside it.

FEATURES

• Heavy Duty 16 gauge #304 stainless steel with a solid welded construction
• The revealed edge is 1-1/2" to give you the strongest table known
• Square tube legs allow more welding surface which has proven to outlast any round tube leg
• Corners are professionally welded and polished smooth
• 3" ball bearing casters are standard on all tables

SPECIFICATIONS

• Instrument Table Dimensions: 24"w x 72"l x 34"h
• Construction: Stainless Steel, Solid Weld
• Casters: Ball Bearing
• Caster Diameter: 3"
• Warranty: Limited
