FACTORY NEW

MCM Foot Operated Mayo Stand: MCM 751. Mid Central Medical manufactures high-quality medical equipment to meet the demanding standards of America's healthcare industry. As a result, the MCM 751 offers a strong balance of durability, functionality, and safety.

Moreover, this makes it a great choice for surgical centers, hospitals, and outpatient facilities. This stand features solid brass inserts that allow smooth, effortless height adjustment.

A built-in "Safe Descent" system ensures controlled lowering of the tray, protecting both patients and medical staff. Furthermore, the removable stainless steel tray adds convenience and simplifies cleaning between procedures.
