MCM Foot Operated Mayo Stand | MCM 752

Stock Photo – Options May Vary

FACTORY NEW

MCM 752: Foot Operated Mayo Stand. Mid Central Medical manufactures high-quality medical equipment to meet the demands of the American healthcare industry. The MCM 752 Mayo Stand offers a durable, user-friendly design ideal for hospitals, surgical centers, and outpatient facilities.

This stand includes solid brass inserts, which make height adjustment smooth and easy. Additionally, the unique “Safe Descent” feature lowers the tray gently, protecting patients and staff with controlled movement.

Furthermore, the removable 20-by-25-inch tray offers ample space for instruments and detaches easily for cleaning or replacement. The MCM 752 features a foot-pedal lock, enabling hands-free height adjustments to help maintain a sterile field during procedures.
