FACTORY NEW

MCM 532 – Height Adjustable Instrument Table. The MCM 532 by Mid Central Medical gives surgical teams versatile support across many specialties. This American-made table offers 20 inches of height travel, so staff can position it precisely during diverse procedures.

Its legs straddle the operating table, which maximizes access and saves space in the operating room. In addition, a hand crank controls the height with minimal effort, so changes stay smooth and accurate. The crank's ergonomic design makes operation easy for staff of all skill levels.

As a result, the MCM 532 supports faster setup and keeps the surgical workflow moving.
