MCM Stainless Steel Anesthesia Cart with Removable Tray | MCM 523-T

Stock Photo – Options May Vary

FACTORY NEW

MCM 523-T: Anesthesia Cart w/ Removable Tray from Mid Central Medical is built for strength, organization, and efficiency in clinical settings. High-quality stainless steel makes this cart last and resist wear in demanding operating rooms and healthcare spaces.

In addition, the large removable tray gives staff easy access to important anesthesia tools and makes them easy to move. The cart has four drawers that keep medicines, supplies, and small tools organized.

Meanwhile, the lower shelf adds space for larger equipment and bulky items, so you can store everything you need in one place.
