FACTORY NEW

MCM 520 – Stainless Steel Utility Table. The MCM 520 Stainless Steel Utility Table from Mid Central Medical offers durability, function, and reliability for various clinical environments. As healthcare needs grow, Mid Central Medical continues to expand its product line with innovative, American-made solutions designed to support modern medical professionals.

Each product is built using high-quality components to ensure consistent performance and long-term use. The MCM 520 features strong 16-gauge #304 stainless steel construction that resists corrosion and wear in high-use settings.

Additionally, a single drawer, mounted on stainless steel glides, provides smooth operation and secure storage for instruments and supplies.
