FACTORY NEW

MCM 523: Stainless Steel Utility Table. The MCM 523 Stainless Steel Utility Table from Mid Central Medical combines durability, functionality, and quality for demanding medical settings. MCM continually innovates its product line to meet evolving customer demands, using top-quality components to ensure reliable performance and consistent results.

This utility table uses sturdy 16-gauge #304 stainless steel for corrosion resistance and long-lasting use. It includes four spacious drawers with smooth glides, offering secure, easy access to tools and supplies.

These drawers keep everything organized and within reach during busy procedures. Additionally, a three-sided guardrail surrounds the work surface, preventing items from slipping or falling during use or movement, enhancing safety.

FEATURES

- Stainless steel
- 3-sided guardrail
- 2 locking, 2 non-locking, 3" casters
- Four Drawers
- Drawers are mounted on stainless steel glides

SPECIFICATIONS
