# Biodex 840 Imaging Table – Refurbished

*Stock Photo – Options May Vary*

**FULLY REFURBISHED · CLINICALLY CERTIFIED**

Biodex 840 Imaging Table – Completely Refurbished. The Biodex 840 is designed for image-guided fluoroscopic procedures where stability, access, and precise, quiet, vibration-free positioning are required.

Additionally, this completely refurbished Biodex 840 has a patient weight capacity of 500 lbs, making it suitable for a wide range of patients and procedures. Furthermore, its stable, low-vibration design helps support consistent imaging results throughout longer cases.

Continuing, this Biodex 840 comes with a 6-month warranty, giving facilities added peace of mind after purchase. As a result, this table offers a dependable, cost-effective option for facilities running image-guided procedures regularly.
