

# Midmark Ritter 417 Power Podiatry Chair/Table - Refurbished

Stock Photo - Options May Vary

## FULLY REFURBISHED · CLINICALLY CERTIFIED

Midmark Ritter 417 Power Podiatry Chair/Table - Refurbished. The Midmark Ritter 417 is a trusted choice for healthcare professionals who value quality, durability, and performance. Trusted for decades, Midmark equipment enhances workflow and delivers efficient, consistent care in podiatry and specialty practices.

This chair/table is built to withstand daily use while maintaining smooth operation and patient comfort. This refurbished Midmark 417 features a low 22.5" height for easy patient access and raises to 41", with the foot section reaching 58" when tilted.

The standard foot control allows hands-free, precise positioning. Its compact footprint and ergonomic design make it ideal for clinics needing space efficiency without sacrificing performance or patient care.

## FEATURES

- Convenient, low height (22.5")
- High height range of 41" (the foot section can be as high as 58" when the table is at maximum height and in tilt)
- Standard foot control makes positioning easy for the operator
- Foot control operates height, tilt, and back adjustments, and two programmed positions
- Adjustable Foot extension
