MPD Waste Container w/Touch Top Cart Accessory | TWC-2

Stock Photo – Options May Vary

FACTORY NEW

MPD Cart Accessory Waste Container w/Touch-Top: TWC-2. MPD offers a wide variety of medical cart accessories to enhance functionality and efficiency in clinical settings. One popular item is the 28-quart Waste Container with Touch Top Lid. This durable container provides a hygienic and convenient way to dispose of medical waste during daily operations.

It fits both Standard and Select MPD Carts, ensuring seamless integration with your existing equipment. The TWC-2 Waste Container features a Touch Top Lid for easy, hands-free operation. This reduces contact and minimizes the risk of cross-contamination in patient care areas.

Moreover, its generous 28-quart capacity helps maintain cleanliness throughout shifts.

Brochure and images are a general overview of the product. Actual product options may vary.
